**RECORD SERIES BOX #:** 0115-001-A70 through 0115-001-A99

**RECORD GROUP SCOPE NOTE:**

The Department of Public Works appears to have been responsible for the petitions and reports submitted to the Committee on Streets and Lanes and the Committee on Drainage. This record group has been divided into five sections.

The first section of this record group contains petitions submitted to the Committee on Streets and Lanes between 1860 and 1932. These petitions include requests by citizens to repair streets, money for injury caused by unrepaired street or sidewalk, requests to pave streets or erect sidewalks, spur tracks for railroads, signs for roads or businesses, requests to allow steps or balconies to be built in front of a house or business, parking privileges, requests to keep streets clean, requests by employees to increase their salaries, requests to erect street lights on corners or in parks, and permission to decorate streets for parades, festivals or simple advertising.

The second section contains reports from the Park and Tree Commission which submitted reports to the Committee on Streets and Lanes 1897 to 1931. These reports include budgets for the commission, repairs to cemeteries, funds needed for planting trees and grass, lights for parks and squares, renaming squares, and information about the Bacon Park Commission.

Separate reports on paving contracts and bids, from 1919 to 1930, were submitted to the Committee on Streets and Lanes and have been placed in the third section. The fourth section contains miscellaneous reports, petitions and correspondence submitted to the Committee on

Streets and Lanes from 1860 to 1931. These miscellaneous papers include information on ordinances, resolutions, conditions of roads, repairs, lighting, encroachments, railroads, applications, grading streets, sidewalks, canals, and street openings.

Finally, the fifth section of this record group contains petitions submitted to the Committee on Drainage between 1909 and 1928. These petitions include the appointments and resignations of committee members, improvements to house and storm drainage systems, increase in salaries requested by dry culture employees, extensions of drains, bids, and the installation of sewer systems.
